Module 1: Personal Information

1. Briefly introduce yourself: name, educational background, and current status (student or professional).

   Ans. -> I am Rahul Kanara. I completed my BCA degree from Saurashtra University, Rajkot. I belong to Rampara but currently live in Rajkot. I am currently pursuing a software engineering course from TOPS Technology in Rajkot.

2. Mention key personality traits, such as your creativity, analytical skills, or passion for problem-solving.

   Ans. -> I am creative and good at analyzing problems. I always complete my tasks before the deadline and make sure they are fully done. I learn quickly, adapt easily, and enjoy new challenges.

3. Explain your interest in technology and why you chose this career path.

   Ans. -> In the second year of my college, I developed an interest in coding while working on a project. I found it exciting and enjoyable. By my final year, I had worked on two more projects, and I really enjoyed the process. After completing these projects, I decided that I wanted to become a software developer.
